This 2 days preparatory course is designed to help you prepare and pass the **CMFAS Module 6A – Securities & Futures Product Knowledge** exam. During the course, the instructor will cover the entire syllabus as stipulated in the study guide as follows:

- Overview of Securities & Futures
- The Framework for Making Investment Decisions
- Fundamental Analysis
- Technical & Statistical Analysis
- Futures
- Strategies for Futures Markets
- Trading Risk Control & Management
- Options
- Warrants & Other Investment Products
- Basics of Structured Products
- Key Risks
- Structured Notes
- Structured Funds & Structured Exchange Traded Funds
- Comparison of Different Types of Structured Products
- Introduction to Other Financial Derivatives
- Knock-Out Products
- Contracts for Differences (CFDs)
- Extended Settlement (ES) Contracts
- Case Studies

After the prep course, you will be given access codes to our online question bank to practice while preparing for your examination. This serves to test your competency and monitor your progress. The online question bank will be made available to you for 50 days after the prep course.

This revision will be lead by our **Managing Partner – Mr. Ng Lye Heng**, who has been a **CFA trainer** since 1999 and **CAIA trainer** since 2009. Lye Heng is a Derivative Specialist whose topical areas encompass financial markets and traded derivative instruments, investments and wealth management. He started his banking career in the early 1990s and held roles as a principal proprietary trader and product structurer. He traded global derivatives markets on various stock indices and fixed incomes instruments spanning from Tokyo, Hong Kong, London to Chicago. He concluded his treasury-room career managing market risk on the global trading book of a bank.

Lye Heng set up Salmon Thrust in 2004, offering training and consultancy in the areas of Investment, Treasury and Wealth Management. Clients included various global banks like Citibank where he conducted a comprehensive investment series for the 200-odd relationship managers based in Singapore. Since then, he has provided learning solutions across a variety of product and wealth management topics encompassing thousands of seminar delegate-days both in Singapore as well as in China.
