This 3-hours intensive revision class is specially structured to help you prepare and pass the **CACCS Paper 2 - Industry & Product Knowledge** exam

In the class, the trainer will follow the sequence of the study guide and within each section of the guide, the trainer will highlight the focus of that section and on what to look out for during the examination. The trainer will also share examples on how the exam question are being structured with highlights on common mistakes people make in understanding the exam syllabus, which are as follows:

- Investment Concepts - Risk and Return
- Portfolio Management
- Fixed Income and Equity Securities
- Options, Futures, Foreign Exchange and Swaps Contracts
- Structured Products
- Unit Trust and Fund Products
- Alternative Investment Products and Services
- Using Credit and Leverage

After the revision, you will be given access codes to our online question bank to practice while preparing for your examination. This serves to test your competency and monitor your progress. The online question bank will be made available to you for 3 months after the revision class.

This revision will be lead by our **Managing Partner – Mr. Ng Lye Heng**, who has been a **CFA trainer** since 1999 and **CAIA trainer** since 2009. Lye Heng is a Derivative Specialist whose topical areas encompass financial markets and traded derivative instruments, investments and wealth management. He started his banking career in the early 1990s and held roles as a principal proprietary trader and product structurer. He traded global derivatives markets on various stock indices and fixed incomes instruments spanning from Tokyo, Hong Kong, London to Chicago. He concluded his treasury-room career managing market risk on the global trading book of a bank.

Lye Heng set up Salmon Thrust in 2004, offering training and consultancy in the areas of Investment, Treasury and Wealth Management. Clients included various global banks like Citibank where he conducted a comprehensive investment series for the 200-odd relationship managers based in Singapore. Since then, he has provided learning solutions across a variety of product and wealth management topics encompassing thousands of seminar delegate-days both in Singapore as well as in China.
