TRAINING FOCUS 7 Non-RRCE hours

This course explains how to analyse and develop effective investment ideas by taking a macro view of the factors shaping economies, industries, and markets.

Emphasizing the importance of macroeconomics and market cycles, understanding macro risks and the associated opportunities is key to analysing today's global financial markets economy where macro risk-on, risk-off (RORO) regimes dominant over the micro-valuation.

ABOUT OUR TRAINER

NG LYE HENG CFA, CAIA, FRM

Lye Heng possesses 13 years of working experience in the banking industry and is a derivative specialist. He started his banking career in the early 1990s and held roles as principal derivative trader and product structurer. He traded derivatives on stock indices and fixed incomes in global financial markets, spanning Tokyo, Hong Kong, London, New York and Chicago. He concluded his career in the financial industry by managing market risk on the global trading book of a regional bank.

In 2004, Lye Heng set up Salmon Thrust, offering training and consultancy in the areas of Investment, Treasury and Wealth Management. Clients include various global banks such as Citibank where he conducted a series of comprehensive investment workshops for the 200-odd relationship managers based in Singapore. To date, he has provided learning solutions across a variety of products and wealth management topics encompassing thousands of seminar delegate-days both in Singapore as well as in China. Lye Heng has also been a CFA trainer since 1999 and CAIA trainer since 2009.

Lye Heng holds a Masters degree in Social Science (Applied Economics) from National University of Singapore, and a Bachelor of Business degree (Financial Analysis) from Nanyang Technical University. He is a CFA, CAIA, and FRM. He also graduated from the MIT Fintech certification program and has been advising several Fintech start-ups in Singapore.

Lye Heng is the author of 3 IBF-accredited FTS online Fintech courses “Understanding Fintech”, “Technologies Behind the Bitcoin and its Blockchain”, and “Analyzing Bitcoins and Other Cryptocurrencies”.

CPD

SALMON THRUST CPD SERIES

The Salmon Thrust CPD Series is aimed at raising the competencies of the Covered Persons and satisfying their CPD hours in the most fruitful and entertaining way. Our trainers wastes no time on academic principles but dives straight into the practical applications of the subject.

ABOUT SALMON THRUST

Founded in 2004, Salmon Thrust is committed to delivering real-world banking and financial training to professionals working in banks, corporates, government agencies, and other financial institutions.

Based in Singapore, we offer our clients in the region a broad range of up-to-date financial topics, delivered via classroom training and e-learning. Our courses range from foundational programmes for new entrants, right through to the most complex and current topics in the industry.

At Salmon Thrust, we are attentive to our clients' diverse learning needs. We identify relevant courses to bridge the learning and skill gaps, empowering our clients to make better decisions and bring real value to both their customers and organisations.
