

KYC/AML: REGULATIONS

CODE P190819SCA

VALIDITY PERIOD 20 Sep 2019 - 19 Sep 2021

TRAINING FOCUS RRCE (4 Core hrs)

As Singapore financial market remains accessible by global investors, cross border movement of money becomes increasingly common. This creates money laundering concerns in Singapore. Hence, constant reviews and amendments are made to legislation to strengthen the anti-money laundering levers in Singapore. Knowing Your Customer (KYC) becomes a key to combat money laundering risk. This course aims to provide keys to manage both regulatory and practical aspects in managing money laundering risk.

Examples, illustrations and case studies will be included where possible to enforce the learning in this module.

WHO SHOULD ATTEND

- Relationship manager
- Private banker
- Client on-boarding specialists
- Wealth KYC teams

CPD

SALMON THRUST CPD SERIES

The Salmon Thrust CPD Series is aimed at raising the competencies of the Covered Persons and satisfying their CPD hours in the most fruitful and entertaining way. Our trainers wastes no time on academic principles but dives straight into the practical applications of the subject.

ABOUT SALMON THRUST

Founded in 2004, Salmon Thrust is committed to delivering real-world banking and financial training to professionals working in banks, corporates, government agencies, and other financial institutions.

Based in Singapore, we offer our clients in the region a broad range of up-to-date financial topics, delivered via classroom training and e-learning. Our courses range from foundational programmes for new entrants, right through to the most complex and current topics in the industry.

At Salmon Thrust, we are attentive to our clients' diverse learning needs. We identify relevant courses to bridge the learning and skill gaps, empowering our clients to make better decisions and bring real value to both their customers and organisations.

ABOUT OUR TRAINER

TEO PUAY WEI BSC FINANCE

Puay Wei possessed 15 years of working experience in the financial industry. He started his career in the late 1990s and held roles as chief compliance officer and chief risk officer. He specializes in risk management and has exposure to many key Asia Pacific markets.

At his various capacity, he has to deal with complex and non-routine regulatory and risk related matters associated to anti- money laundering and financing of terrorism, code of conduct & ethics, conflict of interest, anti-bribery & corruption, technology risk management, information security, and risk management framework. He has also been involved in training on these subjects.

Puay Wei holds a Bachelor of Science (Finance) from National University of Ireland, and a Diploma in Compliance specializing in Fund Management from International Compliance Training. He is a Financial Industry Certified Professional awarded by The Institute of Banking and Finance.

Puay Wei left his role as Head of Risk, Asia Pacific for Aberdeen Asset Management Asia Ltd to start consulting and training work in the financial industry for the Asia Pacific region.
